PMS WEEKLY REPORT

Period Ending on 2 September 1986

Items or Events of Major Interest That Have Occurred During the
Preceding Week:

At the meeting between OL/PMS representatives and Sterling Institute (SI) on Friday, 29 August 1986, SI submitted a revised draft copy of the FAR Implementation Guide (FIG), with the exception of five sections which must be done on Agency premises. This guide is prepared for the purpose of giving specific guidance to negotiators in areas not covered by the Federal Acquisition Regulations. Additional copies will be made and distributed to senior procurement personnel within OL.
